

The background features several thick, wavy lines in blue, yellow, teal, and pink. Interspersed among these lines are several red location pin icons with black outlines and white centers.

YOUR ADVENTURE AWAITS:

5 PATHS TO IMPACT WITH A COMMUNITY OF PRACTICE

Imagine a journey where every step leads to new opportunities for growth and innovation.

In our ever-evolving world, organizational challenges are as diverse as they are complex.

Do you find yourself navigating through these common obstacles?

Recognizing and Celebrating Achievements:

Building a culture of appreciation and continuous growth, where every milestone is valued.

Establishing a Culture of Inclusion and Belonging:

Empowering new team members to ensure they're ready and equipped.

Scaling Learning Across Borders:

Efficiently expanding the reach of your training and educational initiatives.

Seeking Fresh Avenues for Innovation:

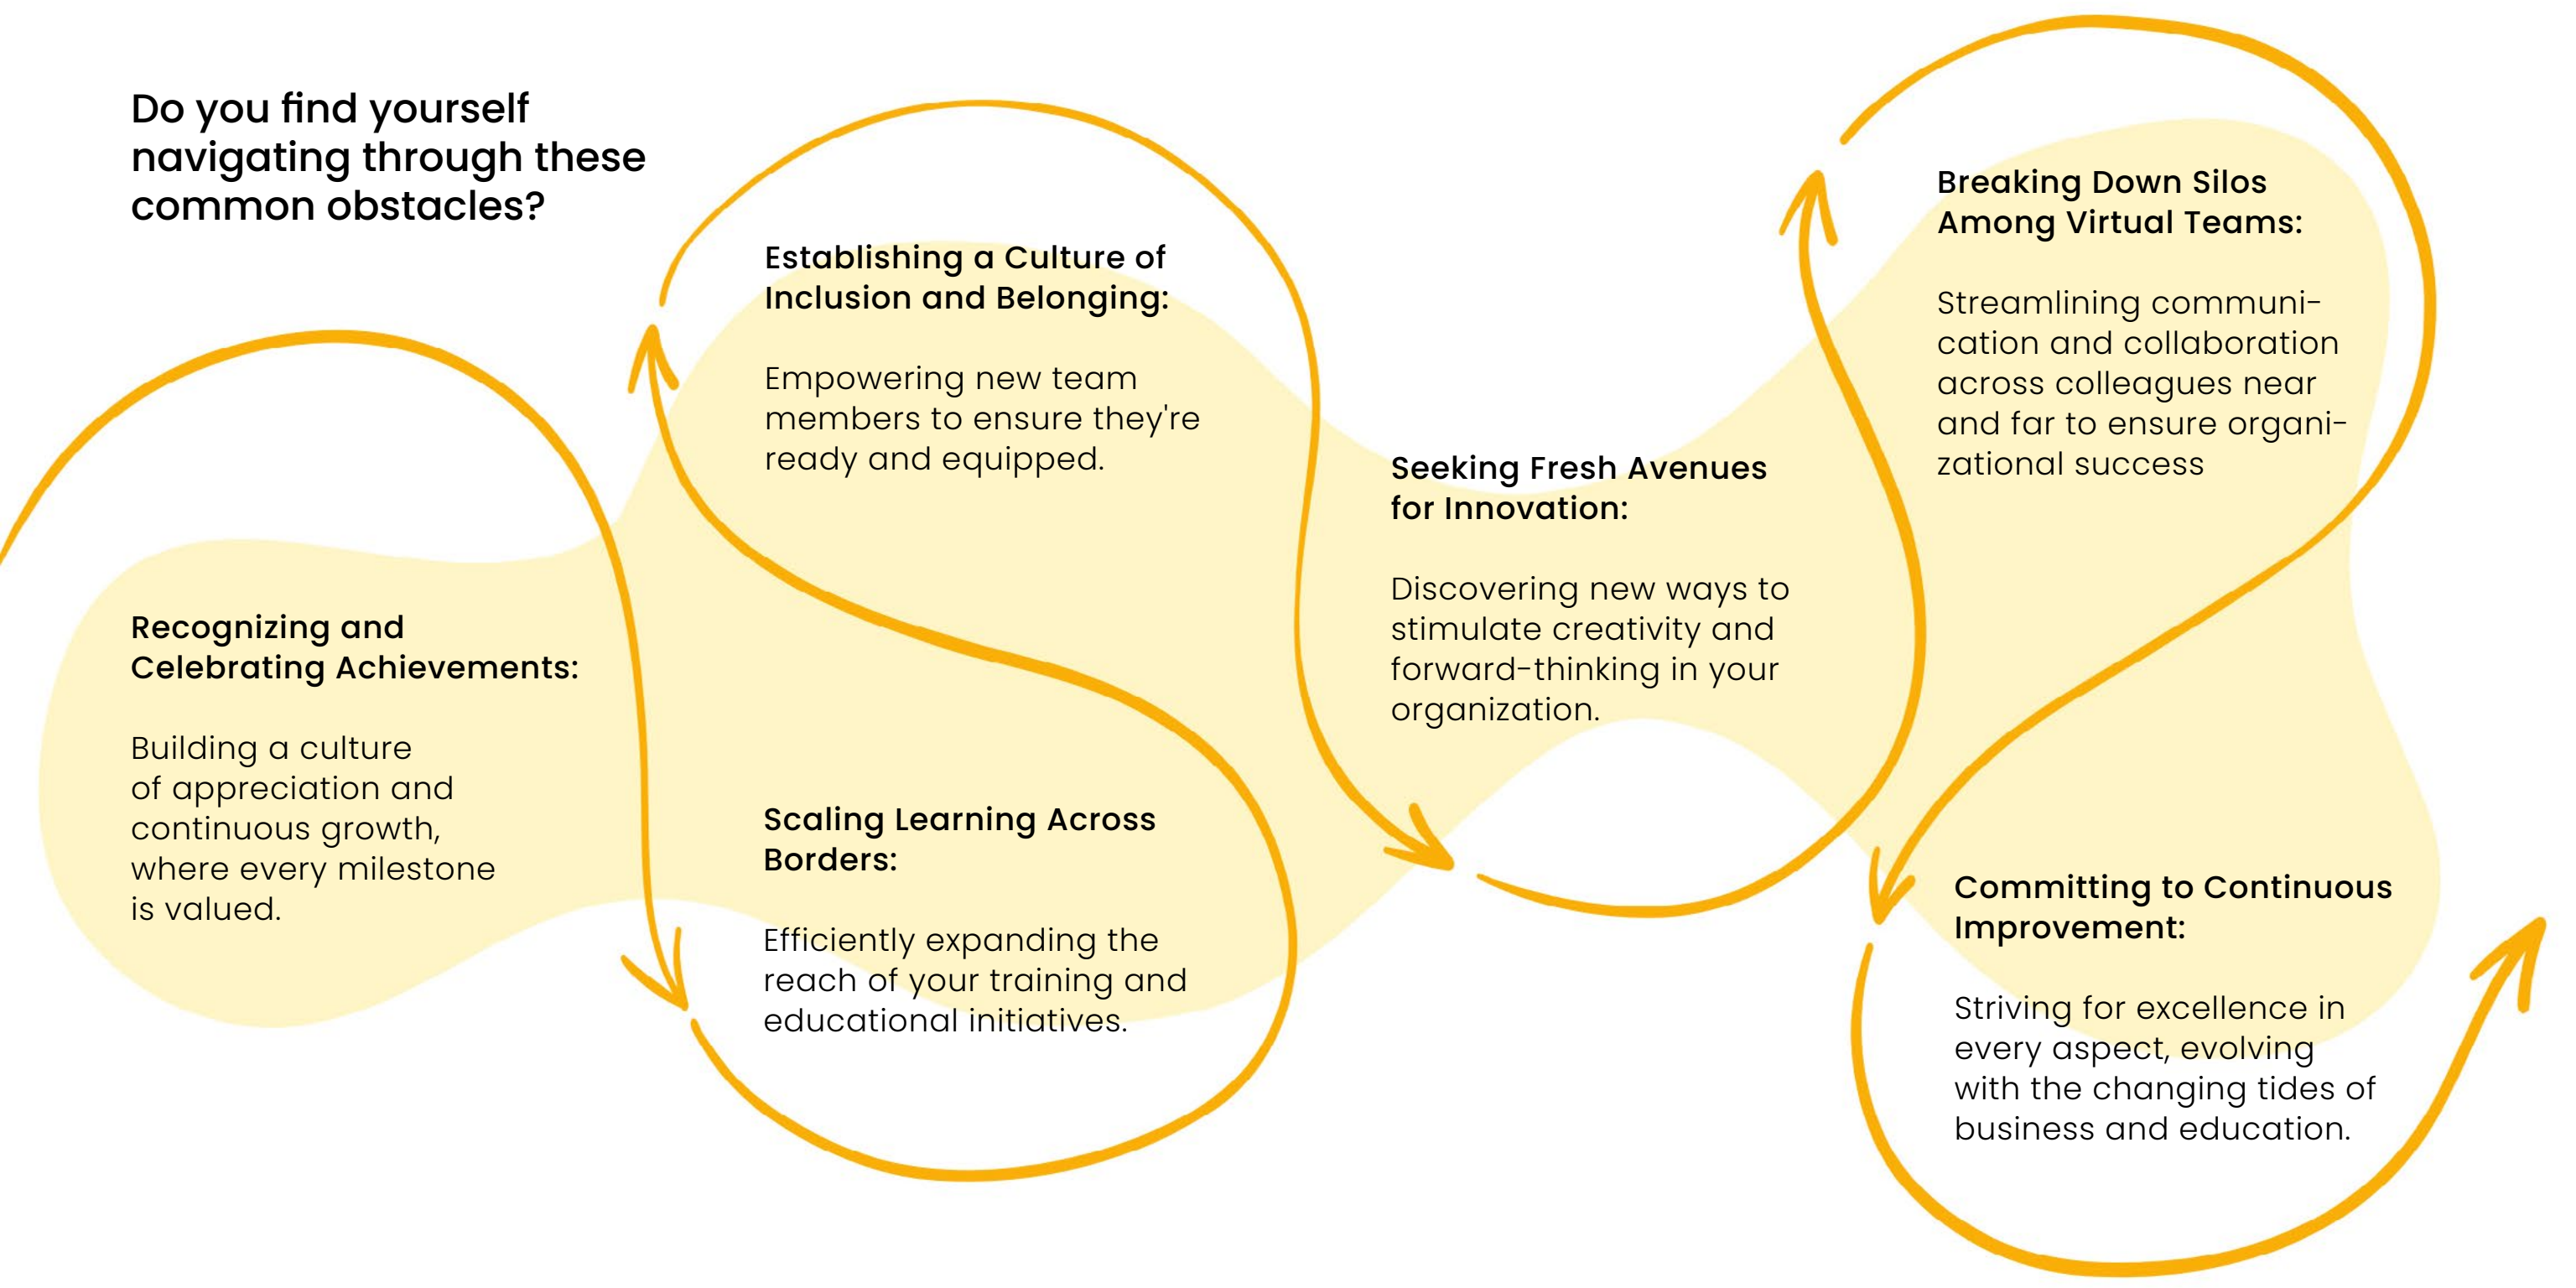

Discovering new ways to stimulate creativity and forward-thinking in your organization.

Breaking Down Silos Among Virtual Teams:

Streamlining communication and collaboration across colleagues near and far to ensure organizational success

Committing to Continuous Improvement:

Striving for excellence in every aspect, evolving with the changing tides of business and education.

What if there was a way to not just meet these challenges but to transform them into your greatest strengths?

Introducing **5 Paths to Impact with a Community of Practice**—just a few of the ways you can harness the power of a social learning solution like Participate to meet these needs and more.

Each path is a chance to tailor your organization's journey to its unique goals and aspirations—***to choose your own adventure.***

Your adventure with a Participate community of practice is more than a journey—it's a transformation waiting to happen.

Let's get started!

PATH 1:

Scale Learning

Elevate your organization's training and educational impact with Participate's intuitive creator studio and expert guidance, enabling you to easily develop engaging courses, modules, pages and other multimedia content for professional and academic online learning experiences.

The University of Missouri–St. Louis expanded literacy training for teachers from an initial 80 schools to educators statewide by leveraging a Participate community of practice.

PATH 2:

Fuel Creativity

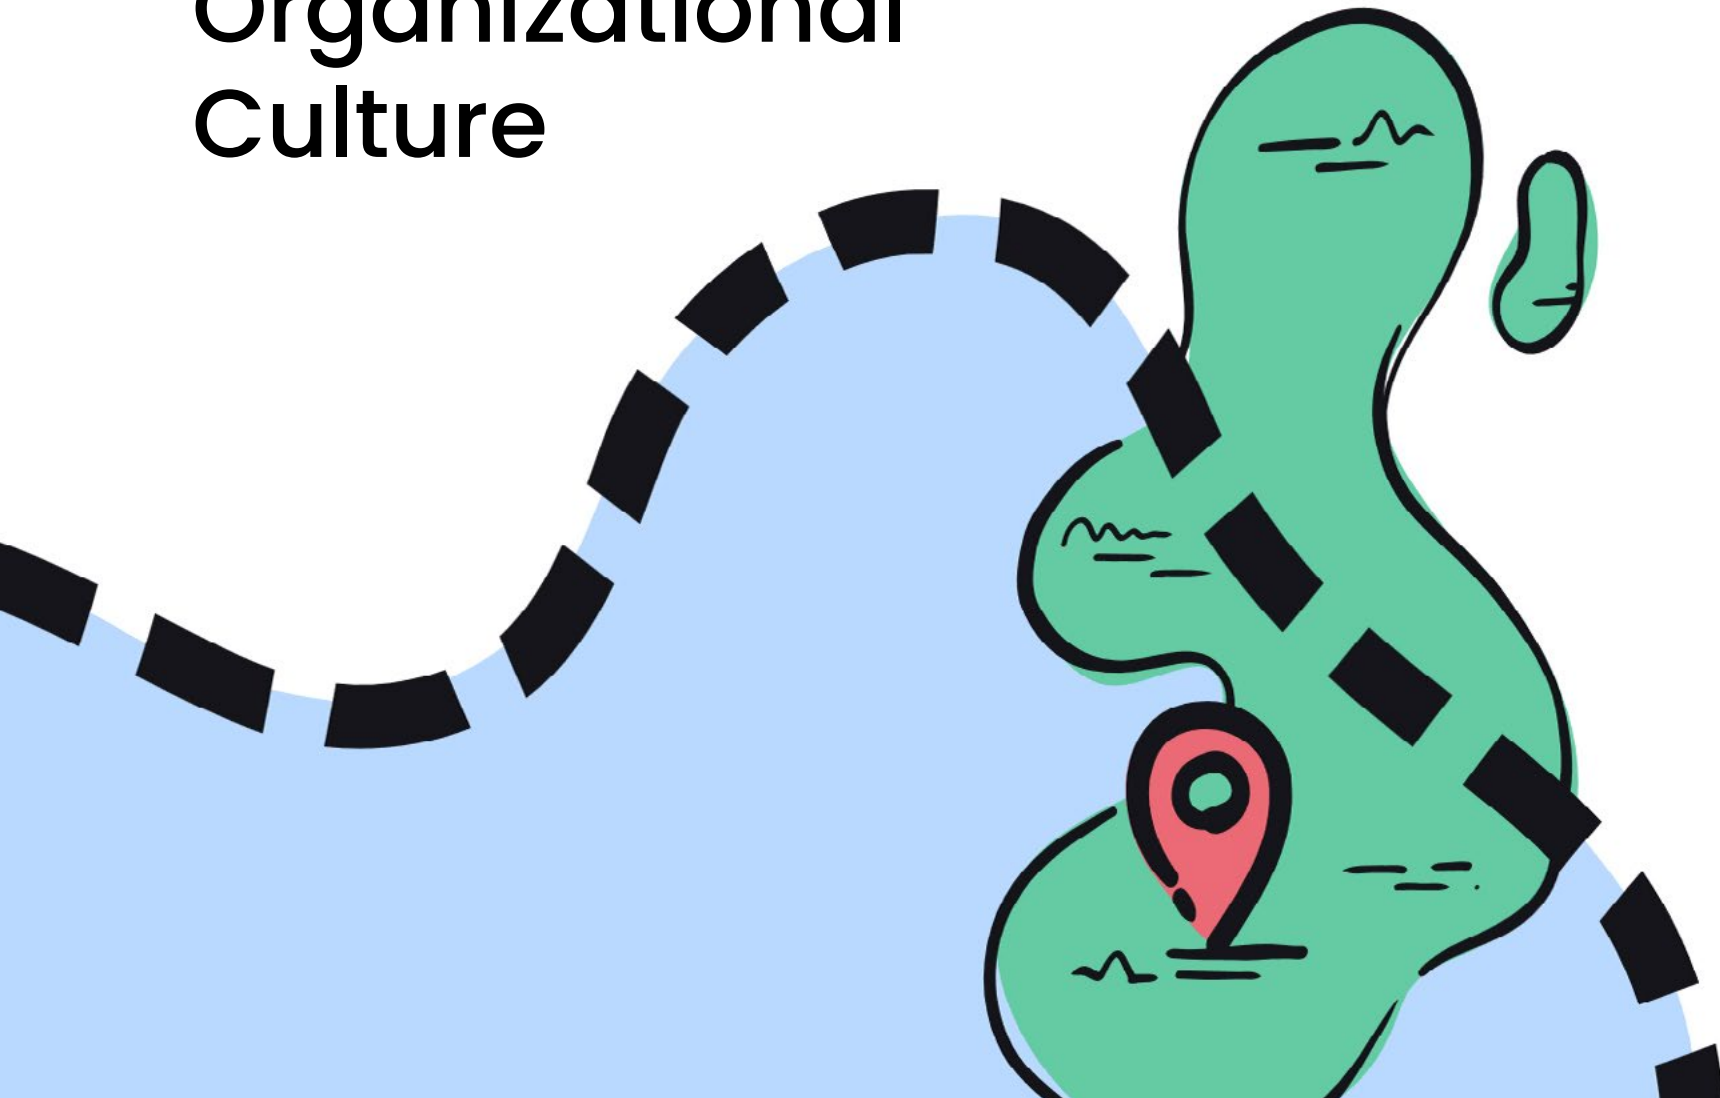

A Participate community of practice provides a dynamic virtual collaboration space, uniting far-flung teams across locations and organizations to collectively engage and innovate on content, courses, and events centered around shared topics, interests, or locations.

The New York Hall of Science (NYSCI), along with the New York City Department of Education's School District #24 and Chicago Public Schools, is relying on Participate to foster a collaborative community of educators to improve hands-on STEM learning for middle school students.

PATH 3:

Strengthen Organizational Culture

Leverage a Participate community of practice to efficiently transform your workplace onboarding and people management processes, creating an experience that shapes and strengthens your organizational culture at every level.

Black Girl Ventures partnered with Participate to overhaul BGV's new employee onboarding and internal communications processes through interactive learning experiences. When new team members join, they learn about the organization's philosophy and values, internal organization structures and norms—and even learn how to pitch an idea.

PATH 4:

Recognize Learning and Contributions

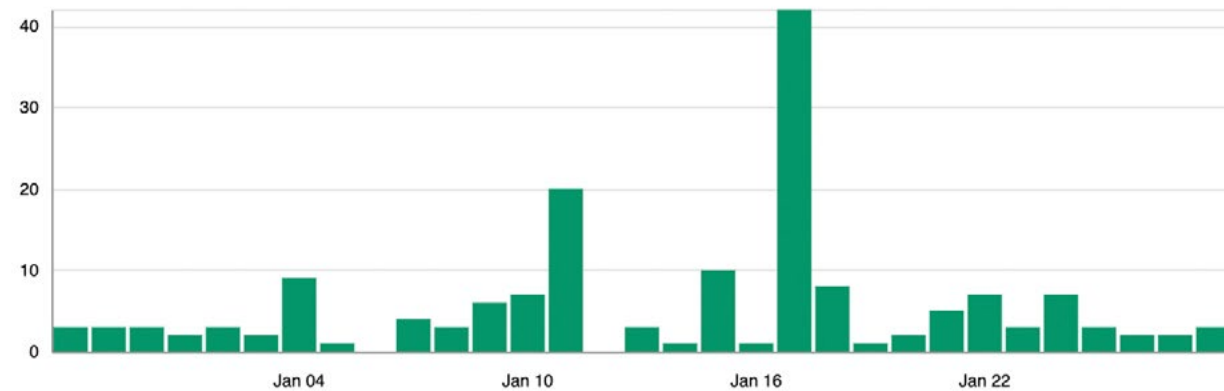

Improve the way you celebrate and validate learning and accomplishments with Participate's platform, which offers integrated reliable, verifiable and portable digital badges and stackable microcredentials to facilitate seamless upskilling, recognition and certification – changing lives for the better.

Participate co-developed with the NYC Department of Education three microcredentials to help the system identify innovative leaders prepared to drive key initiatives in their schools, communities and across the system.

PATH 5:

Continuously Improve

Rely on Participate to track participation, engagement, and learning outcomes within your community, fostering a culture of continuous learning and excellence in every initiative.

**Your
adventure
is just
beginning.**

With a Participate community of practice, the paths your organization can take to boost collaboration and learning—and achieve your goals—are endless.
